

## ***Up With Trees Citizen Forester Program September 2010***

Up With Trees Citizen Forester program is a new and exciting curriculum for Tulsans who are interested in learning or enhancing arboricultural knowledge and skills. Citizen Foresters will receive 16 hours of training with Tulsa's top arborists, learning how to identify tree species, plant and maintain trees as well as promote urban forestry awareness and education. Program graduates will become part of a volunteer corps that will plant, maintain, prune and inventory trees in parks and other locations. Join our team to contribute to the health and vitality of our community!

**Curriculum:** The "*P's of Trees*" Citizen Forester classes will be held at our new location at 1102 S. Boston Ave. just south of downtown Tulsa on the southwest corner of 11<sup>th</sup> & Boston. All classes will be taught by certified professionals including local collegiate faculty and city officials. The tax-deductible cost for the course is \$65, covering the cost of materials.
