Help Keep Tulsa Green!

Plant a commemorative tree in the Up With Trees Arbor Garden

Tree by tree, you can help grow our urban forest by planting a commemorative tree in one of Up With Trees' Commemorative Arbor Gardens.

Every tree planted in Tulsa not only makes our community more beautiful, it helps remove air pollution, provides cooling shade and offers a home for birds and other wildlife.

Plant a tree as a gift for friends or family, to remember a loved one, to celebrate important life events — or just to leave a legacy for future generations. It can be especially rewarding to follow the growth of a tree beside the growth of a child.

Up With Trees has several Commemorative Arbor Gardens. The primary Arbor Garden is at the **JD Metcalfe Recreation Area** at 12th Street and Mingo Road. This 42-acre, peaceful park-like setting – created as part of the flood control work along Mingo Creek – features a scenic fishing pond, winding trails, benches, and a variety of plants and wildlife. We also have a site at **BS Roberts Park** at 1000 N. Greenwood Ave., adjacent to the OSU-Tulsa campus near downtown, and commemorative trees can be planted in four City of Tulsa Parks — **Hunter**, 5804 E. 91st St.; **Manion**, 3003 E. 56th St.; **Berry**, 5002 N. Wheeling Ave.; and **Carbondale**, 2802 W. 48th St.

Each commemorative tree is marked with a small plaque at the base bearing the name of the honoree and the tree species. Trees are planted along jogging/walking trails, near benches or in other easily accessible areas.

A commemorative tree is available for a donation of \$300 each. Since Up With Trees is a 501(c)(3), your gift is tax-deductible. If requested, your honoree will receive a letter announcing your gift, and you will receive an acknowledgement letter.

Up With Trees will be responsible for planting, watering and maintaining commemorative trees and plaques. We will notify you of the planting date and you can participate if desired. Trees are guaranteed for 3 years.

To plant a commemorative tree, fill out the form below and send it to our office with a check. You also may call 610-TREE for more information or if you would like to place a credit card order. (We accept Visa, MasterCard, Discover and American Express.)

Yes, I wish to plant a commemorative tree!

Please detach at dotted line and return with your check to: Up With Trees
