

**Application for Senior Citizens and Individuals with Disabilities
to Receive a Free Tree**

Sponsored in part by
Apache Foundation and Up With Trees

Up With Trees is launching a new program to enable seniors and individuals with disabilities to receive FREE trees for their homes. Those who qualify will receive a free tree that will be planted in their yard by Up With Trees and/or Home Depot volunteers. Applicants for this program must own the property where the tree will be planted, as well agree to and be able to water and care for the tree, as set forth in guidelines received with the tree.

Specific tree species are limited, but applicants will be able to select between evergreens, flowering trees or shade trees. Up With Trees will review an applicant's property in order to "spot" the tree, i.e., locate the best spot for the particular kind of tree chosen, considering all underground and above ground utilities.
