

Help ReGreen Tulsa. Plant A Tree.

Looking for an easy way to take care of all your favorite people this holiday season? We can make gift-giving easier, while giving a gift to the community as well – dedicate a tree to be planted in honor of everyone on your list! Or, just do it for yourself. It's easy, earth-friendly and tax-deductible!

FOR A \$25 DONATION, Up With Trees will dedicate a tree in a Tulsa park or recreation area in honor of your recipient. A holiday card will be sent letting the recipient know about your generous gift, or it can be sent back to you for personal gift-giving. (We will select the location and the tree species, and there is no signage.) Our last pre-Christmas mailing will go out Monday Dec. 21.

FOR A \$50 DONATION, Up With Trees will let the recipient know you have helped plant a grove of five trees in a park or other public space.

FOR A \$300 DONATION, Up With Trees will plant a tree in your choice of several commemorative gardens around the city. Trees will be marked with a small plaque at the base with the honoree's name, and you can select a species from our list of approved trees. You or the recipient can even help with the planting if desired!

Or just send your tax-deductible donation of any size to help us plant all across the city! The money will go toward ReGreen Tulsa, a partnership of Up With Trees and the City of Tulsa, and help us plant 20,000 trees in Tulsa. The Tulsa Community Foundation is matching donations up to \$1.5 million, so your gift will be doubled! Please fill out the form below and send to Up With Trees with your check or credit card information, or donate securely online at www.upwithtrees.org or by calling us at 610-TREE (8733).
