

TREE SCHOOL APPLICATION

Tree School is a youth education program designed to use trees as a cross-curricular learning tool. The goal of the program is to engage students through tree curriculum and hands on tree planting and care based on the needs of the school.

The program includes the following components:

- 4 classes of tree education taught by the Up With Trees Education Coordinator (teaching tree stewardship, leadership, and advocacy).
- Planting of up to 25 trees at the school, in a specific location determined with the school leadership.
- 2-3 years of maintenance and warranty on the trees.
- A "Train the Trainer" session for all teachers to attend and utilize for teaching the Tree School program in their own classes.
- A bin of Tree School education materials for the school.

When signing below and submitting your Tree School Application you are agreeing to the following terms:

The class' teacher will be present at all times with the students during the Tree School sessions.

Student discipline is the responsibility of the class teacher(s).

Every student will have a seat.

A Tree School "Champion" will be assigned to this project to manage the coordination of all logistics with Up With Trees, including dates, times, and locations.
